Searching for Santa! We are looking for a Santa to fill some big boots left by Mr. Gene Harrison. We are in search of an authentic Santa, one that possesses a high moral character that our community can look up to. Our Santa needs to not only look the part but live it day to day; to live a life of true generosity.

What does being Santa mean to you?

Please share with us what it means to you to be Santa.

Please share with us some of your past or current experience with community involvement.

Please include a photo with the application. The Brantley County Chamber of Commerce Board Members will be responsible for making the selection of this year's Santa. We thank you for your application and support of our community Christmas Festival.

Applications are due Monday, October 15th. Please submit to bchamber@btconline.net or mail to
PO Box B Nahunta, GA 31553.
