Have you ever wondered where the money comes from to sponsor our county's annual Independence Day Celebration? The money does not come from the government or available grants. It is not sponsored solely by city and county funds. It comes from our local Brantley County Chamber of Commerce. The Chamber provides the needed funds to pay for the fireworks program at no cost to the public.

So how does the Chamber get the funds we use? That's easy - through the financial support of local businesses and community leaders like you.

The cost of the fireworks program has increased dramatically the last couple of years. To make it affordable for Brantley County we must choose a date other than July 4th. This year we will celebrate with our Independence Day Fireworks Program on the Saturday preceding July 4th, which is Saturday, June 27, 2020. As proud Americans, we know you support the idea of celebrating our freedom; however, we need your help to continue this great tradition here in Brantley County. Can we count on you to provide a tax-deductible donation? Without your help, the annual celebration will not be possible. Considering the difficult times we have all been faced with, the chamber sees this celebration as a way to come together safely and celebrate Independence Day as a community. We invite you to be a part of it.

You can donate by returning the attached form along with a check made out to the Brantley County Chamber of Commerce, or contact one of the Chamber of Commerce officers to have one of us pick up your donation. The Chamber of Commerce is registered as a non-profit organization with all volunteer officers and staff.

Thank you in advance for your support. Your financial assistance will be greatly appreciated.

Sincerely

Mittie Vaughan, President
Brantley County Chamber of Commerce
